Don't Let This Happen To You

Did you know that if someone accesses your Internet connection, even without your knowledge, you can be held legally liable? Let TCT help protect you by securing your wireless router. Many times we don't consider that our wireless router signal can carry outside of our house where anyone can access it. If they do anything illegal, you will be held liable. Music, movies and books are protected by copyright laws. Any unauthorized downloading and uploading of copyrighted materials is actionable as copyright infringement. If you have an unsecured wireless Internet network, anyone who can pick up the signal from your router can access the Internet anonymously. You can be held liable for any illegal activity from these unauthorized users that access your wireless network. (598-2380) The friendly tech's at TCT can quickly help you prevent unauthorized users from accessing your connection by securing your wireless router. In most cases, the TCT tech's can, with your permission, secure your wireless router in just a matter of minutes. Give us a call today and let us help you protect yourself, because what you don't know can hurt you!

Local Student takes 2nd place in Nationwide Contest

Council Grove Middle School student Raelyn Scott, daughter of TinaRae and Lancer Scott, Council Grove, took second place in the Telecom Insurance Group's 10th Annual Spring Art Contest.

Raelyn won \$75 for her poster encouraging kids to practice internet safety.

TCT EXPERIENCED BILLING ERROR — We had a software issue with the May billing that did not allow all of the monthly surcharges and partial month charges to be billed. They will be included on your June bill. Please call our office at 620.767.5153 or 800.362.2576 and speak with our friendly staff if you have any questions. TCT apologizes for this error and any inconvenience that it may cause. Thank you.

Ramona 4th of July—

Ramona's 4th of July celebration begins Friday morning at 7:30am when the ever-popular Redneck Run begins in downtown Ramona with 10K runners, followed by a 2-mile fun run at 8am. A country breakfast, featuring biscuits and gravy and other "fixins" will be held at Ramona City Hall (302 D St.) from 8-10am; donations go to the 4th of July Fireworks Fund.

Concessions will open at noon with Brasch's Bratwurst, The Snow Cone Shack, and The Ramona Youth Council offering food and drinks at the City Park where sporting events are scheduled. The Ramona Fire Department will have the Flame Chaser BBQ open at noon at the Fire Station downtown.

The Ramona Fire Department is sponsoring a Benefit Car Show from 10am-4pm. Registration is \$15, to be divided between car show winners and the Ramona Fire Department. Registration is at the Fire Station on D Street, beginning at 9am.

At noon, registration opens for the popular James Weber Memorial Basketball Competition at the City Park. The 3-on-3 competition begins at 1pm. Entry fee is \$15 for three players; 50% of the funds are paid in prizes and 50% benefits the James Weber Memorial Scholarship Fund. Competition levels: 1-6th grade, 7-9th, high school, and adults. Girls' teams encouraged. This competition is coordinated by James's mother, Lisa Hanschu.

At 5pm, activities on main street will commence: the popular Lawnmower Obstacle Course races with cash prizes, and whimsical face painting for the kiddies by Ramona artist Jennifer Hathaway.

The Redneck Parade is at 6pm on D Street (Ramona's main street.) The Redneck theme began 7 years ago, and the funny parade entries just keep it going. Event organizers are seeking parade entries with over \$600 in prizes to be awarded. Come on folks, be in the parade—Redneck is easy! Parade entries are free and registration begins at 5:00pm, at the city park on 4th Street.

The Kid's Tractor Pull follows the parade, along with games and contests for every age—pie eating for kids, nail pounding for teens and adults, and tug-o-war.

The Justus Band—playing classic country and classic rock—will delight and entertain, beginning at 7:30pm, performing until the fireworks finale lights up the sky at dark.

Complete details about Ramona's 4th of July can be found on the City of Ramona website—www.RamonaKS.com—or contact Mayor Byron Noeth, 785-258-4085.

St. Paul's Lutheran Church—Hog Roast

Historic St. Paul's Lutheran Country Church, 9719 Clarks Creek Rd., Junction City, invites all farmers, ranchers, cowboys, soldiers, and city dwellers (everyone) to enjoy the hog roast on June 21 from 11am to 1pm; free will donation accepted. Pie auction at 12:30pm. Join us for church services on Sunday's at 9:30am. Find us on Facebook. For more information call Lynn Anderson at 785-482-3213.

Pleasant Ridge Christian Church—Ice Cream Social

Join the Pleasant Ridge Christian Church on Friday, June 13, at 6pm for an ice cream social. A program by Annie Wilson will be held at 7pm.

We are pleased to serve our local communities and would like to include your Community Events in our newsletter.

Submission for this section is the 10th of the previous month.

What you need to know to protect your equipment during storm season

With the storm season upon us TCT wants to remind our customers about the importance of using surge protectors to prevent damage to your set top boxes, routers and other electronic devices in your home. Surge protectors are (767-6754) easy to forget about, but they are very important when it comes to protecting your technical equipment.

Surge protectors use a variety of different methods to protect electronics and appliances, but they basically work by diverting energy to a protective component located within the surge protector itself. The surge protector ensures that only the normal, safe amount of electricity passes through to your devices.

Most surge protectors are fairly inexpensive, but often people get confused about the difference between a **surge protector and a power strip; they are NOT the same thing.** Power strips provide additional plug-ins for devices, surge protectors guard devices from a power surge or acts of nature, like a lightning strike. It is important to remember when using a power strip for your expensive electronics to be sure its specifications say it has a surge protector as well. You can find a variety of surge protectors for sale at the TCT Solutions Center.

TCT would like to remind you that equipment installed in your home, such as a set top box or a wireless Internet router, become your property and responsibility once installed. It is very important that you protect your equipment from damage with an appropriate surge protector.

It PAYS \$50 to REFER a FRIEND!

How it works—

Tell your friends about the great **TCT Nu-Vision TV** service TCT offers. When your friends sign up for **TCT Nu-Vision TV**, we'll give you a \$10 bill credit for 5-months.*

*Some exclusions apply. Please call or stop in for complete details.
